### **Animation**

#### **Featuring Cartoon Network**

May 29<sup>th</sup> to September 6<sup>th</sup>

Explore how art, math, science, and technology come together in the exciting world of animation. In *Animation's* stimulating and fun environment, visitors will explore the process of animation from concept to finished product — from storyboarding, character design, and drawing techniques to movement, timing, filming, and sound. Larger-than-life graphics of popular Cartoon Network characters provide a colorful backdrop to the exhibit, which also explores the history of animation and features a screening room and a cartoon museum.

Reservations are required in advance to take advantage of special group pricing. A minimum of 15 people is required for the reservation. Please reserve your date and time by fully completing this form and faxing it to 713.527.8229 or mailing it. Upon receipt of the completed form, a confirmation letter will be sent to you. Field Trip policies can be found at [www.thehealthmuseum.org](http://www.thehealthmuseum.org) in the Education section.
